**Incident Summary:** On 4/20/2022, around 10:30 PM, the victim stated he heard 7-8 loud sounds. When he looked out his window he saw two black sedans heading east down Williams Rd. The Victim stated one of the cars turned north onto Spangler Dr. The victim originally thought the sound was fireworks until four days later when he noticed his bedroom window blind was broken. When he went to investigate he noticed a bullet hole in the window. The bullet traveled through the window and through the bedroom wall where it struck a wood cabinet and fell on the ground. Victim then called for a police response. Officers collected the bullet fragment for evidence and turned it into the CPD Property Room.
